

North Cobb Marching Band

Summer Band Camp/Rehearsal Dates

2016

Please keep this for your records. It is very important that every student fulfill his/her role with the marching band. We cannot have any “holes” in the drill. Please let me know if you cannot participate so that we can let the drill writer know to make the adjustments to the drill. Once camp starts anyone who drops out will place a major burden on the rest of the group. You are very important!
