

## Booster Meeting Minutes 3\_9\_15

24 members in attendance.

The concert was awesome and having Mr. Williams there was great!

Marc: Heritage Fest is a big deal and happens to be the same weekend of LPGE. We have to make sure it runs well because of facilities are not that great.

Mike: no news

Scott Coley: have drivers for LPGE...thank you. We will need to pick up risers from Awtrey on Thursday before Heritage. That way they will be ready for the groups on Friday.

Chaperones: Still looking for a few folks for LPGE and a few folks volunteered. We will need chaperones for the Heritage Fest and Lynda can do a sign up genius for us.

Uniform: All is looking good for the concert dress for LPGE. Everything is at the cleaners and will be ready in time.

Annette: Banquet information—May 9. Williamson Bros. will be full service. 3 menu items to choose from. Order by 4/24 and get for \$15. 5/1 \$18. 3 sides come with every choice. Costco cakes will be bought and set up. We have narrowed down the selection list for fundraisers and that link will be sent out on the newsletter. DVD is being done by John and he is still waiting for 13 seniors.

Carolyn: Treasurers report read. No questions or comments about the report. Marc mentioned that the March statement was much more positive than last month.

Reminder—intent forms will be coming out next month and balance on account needs to be under \$200 to sign up. Chicago trip monies are due in the next few weeks.

Marc: Nominating Committee met last month and the proposed list for the board is as follows:

- President: Marc Amason
- VP/Operation: Joe Southall
- VP/Ways and Means: Barbara Van Essendelft
- Secretary: Liana Parker
- Treasurer: Carolyn Luense
- Financial Secretary: Beth Atkinson

Scott Coley presented the proposed list. No other persons came forward to add their name. The club voted and the board was approved. Thank you to everyone who has served and to all that will serve.

Scott Panell:

Concert went great last week. Work is being done. Sea of Mediocrity was discussed—get on the Island!

Mr. Williams was honored at the staff meeting for years of service last week also. He will hopefully be here for some half days beginning next week.

Cris Welsh (Kennesaw Councilwoman) posted on facebook about how wonderful having the band play at the finish was. It was very heart-warming to hear that love of community—and that is why we play a small part. Dr. Page was also thrilled about the response. Part of NCHS band is promoting that sense of being a part of a strong community.

April 17 is another Heritage Fest

Next meeting will be April 13—after spring break.

Schedule for fall—precamp 7/16-17, mandatory 7/20-24 (12-9), 7/27-31 (4-9). Family Day will be August 15 (9-9). Saturday Rehearsal will be 10/3. Competition dates are not locked in but should be 10/10, 24, 31. Homecoming is on 10/16.
